Professional experience

QUELINKA / Zaragoza January 2007 - present day

Web designer / Front developer

Responsibilities include, Graphic Design development for websites, User Experience, Front-end coding and in some cases Back-end coding. I have also carried out tasks involving Search Engine Optimisation (SEO) and Information Architecture.

In this role I have carried out projects for clients such as: Ibercaja, Auditorio de Zaragoza, Composite Aeronautic Group (CAG), Grupo BR, Araclon Biotech, Letsmedical.com, Club Náutico Zaragoza, Euroforum El Escorial and IRITEC.

WUNDERMAN / (Grupo Young & Rubicam) / Madrid July 2006 until January 2007

On-Line Art Director

Responsibilities included Graphic Design for On-Line marketing projects, Web Interface Design and Front-end coding.

With WUNDERMAN I carried out projects for brands such as: Ford, Landrover, Burger King, Repsol YPF, Movistar, Microsoft, Andalucía Turismo and Castilla La Mancha TV.

ICA / Informática y Comunicaciones Avanzadas, S.A. / Madrid August 2005 until July 2006

Art director

Responsibilities included Graphic Design, Web Interface Design and Front-end coding.

ADECCO / ADECCO España, S.A. / Alcobendas - Madrid MAR-2005 hasta AGO-2005

Multimedia and web designer

Responsibilities included Graphic Design, Web Interface Design for the ADECCO Group.

FAQTORIA NEW MEDIA, S.L. / Interactive Agency / Zaragoza 2004

CEO and Art Director

Agency and Creative Direction focusing on Design, Web and Multimedia projects partners and clients such as:

- Wapeton Nuevas Tecnologías / Grupo ICA / Madrid
- Zaragon / Advertising Agency / Zaragoza

Responsibilities included:

- Project direction and planning
- Design and Art Direction
- Graphic development and management of Print Production
- Multimedia and Web development and production

Art Director

ICA / Informática y Comunicaciones Avanzadas, S.A. / Madrid 2001

Responsibilities included Graphic Design, Web Interface Design

A notable project I worked on during this period was the extranet design for Telefonica Móviles.

Graphic and multimedia Design (freelance)

F&V Diseño / Zaragoza 1991

I worked for 10 years as an independent Graphic Designer specialising in Corporate Identity and Packaging Design. The last 3 years of this period were spent working on Web and Multimedia Design projects.
